   A) Using a one-size-fits-all approach
   B) Ignoring student backgrounds
   C) Incorporating various teaching strategies
   D) Focusing solely on advanced learners

8. Which of the following describes an inclusive classroom? A classroom…
   A) focused on standardized testing,
   B) that discourages group work,
   C) that accommodates various learning needs,
   D) with only high-achieving students,

9. What type of assessment is best for evaluating group projects?
   A) Individual tests
   B) Peer assessment
   C) Standardized exams
   D) Homework assignments

10. Which of the following is a key characteristic of adaptive technologies?
    A) They are only for advanced learners
    B) They help students with special educational needs
    C) They eliminate the need for teaching students with special educational needs
    D) They are standardized for all students including students with special educational needs

STUDENT'S ID NO:_____ SIGNATURE: _____

11. When designing a lesson, which of the following should be prioritized?
    A) Availability of technology
    B) Historical teaching methods
    C) Students' diverse learning needs
    D) The teacher's convenience

12. What is a primary benefit of using multimedia in teaching?
    A) It engages different learning styles
    B) It focuses solely on visual learners
    C) It reduces the need for assessments
    D) It simplifies lesson planning

13. How can teachers demonstrate effective questioning techniques?
    A) By asking closed questions only
    B) By using a variety of questioning types
    C) By avoiding student responses
    D) By limiting discussions

14. What is a practical application of differentiated instruction?
    A) Focusing on only one learning style
    B) Ignoring students' feedback
    C) Tailoring assignments to meet individual needs
    D) Using the same materials for all students

15. Which approach is effective for inclusive education?
    A) Collaborative learning experiences
    B) Enforcing rigid discipline
    C) Segregating students by ability
    D) Standardized testing for all

16. What is the purpose of a lesson plan?
    A) To follow a strict schedule
    B) To guide instructional strategies and assessments
    C) To limit teacher creativity
    D) To focus on administrative tasks

17. Which of the following is an essential element in managing inclusive classrooms?
    A) Flexible teaching strategies
    B) Individualized instruction only
    C) Rigid rules
    D) Standardized assessments

18. What role does equity play in education?
    A) Ensuring all students receive the same resources
