DEPARTMENT OF TEACHER EDUCATION
SCHOOL OF EDUCATION AND LEADERSHIP
ENCHI COLLEGE OF EDUCATION
END OF FIRST SEMESTER EXAMINATION FOR LEVEL 200, 2024/2025
B.ED PROGRAMME

COURSE CODE: TEUP 201
COURSE TITLE: DIFFERENTIATED PLANNING AND LEARNING

Instruction: Answer **all** questions in Section A and any **three** questions in Section B.

Time: 2 hours

SECTION A

[25 Marks]

Answer All the Questions in This Section.

1. What is the primary focus of differentiated planning in education?
   a) Standardized testing
   b) Individual learning needs
   c) Curriculum uniformity
   d) Teacher-centered instruction

2. Which of the following is a key component of developmentally appropriate curriculum?
   a) Rigid structure
   b) Child-centered activities
   c) Solely teacher-led instruction
   d) Uniform learning objectives

3. Indigenous pedagogies often emphasize which of the following?
   a) Globalization
   b) Local cultural practices
   c) Standardized procedures
   d) Advanced technology

STUDENT'S ID NO:_____ SIGNATURE: _____

4. What role does questioning play in learning?
   a) It confuses students
   b) It promotes passive learning
   c) It encourages critical thinking
   d) It is irrelevant to learning

5. How does collaborative learning benefit students?
   a) Isolating them
   b) Encouraging competition
   c) Fostering teamwork
   d) Reducing interaction

6. How is experiential learning best described?
   a) Learning through lectures
   b) Learning through hands-on experiences
   c) Learning through rote memorization
   d) Learning through passive observation

7. What is the primary aim of inclusive education?
   a) Segregate students based on ability
   b) Include all students in the learning process
   c) Focus solely on gifted students
   d) Minimize classroom interactions

8. What is a multigrade classroom?
   a) A classroom with one grade level only
   b) A classroom with students of different ages/grades
   c) A classroom that uses multiple textbooks
   d) A classroom with no grade levels

9. What should teachers consider when planning for primary school learners?
   a) Only the curriculum
   b) Students' interests and backgrounds
   c) Only standardized tests
   d) Teacher preferences

10. What is the primary aim of creative approaches in teaching?
    a) Limit student expression
    b) Enhance student engagement
    c) Follow strict guidelines
    d) Avoid risk-taking

11. Which of the following strategies can enhance questioning in the classroom?
    a) Closed-ended questions
    b) Open-ended questions
    c) Yes/no questions

d) Single-answer questions

12. What is the teacher's role in an inclusive classroom?
    a) Ignoring individual needs
    b) Supporting diverse learners
    c) Focusing on only high achievers
    d) Maintaining strict discipline

13. What is a major challenge in multigrade classrooms?
    a) Maintaining student interest
    b) Managing diverse learning needs
    c) Reducing curriculum complexity
    d) Ensuring uniformity in learning

14. How should developmentally appropriate practices be characterized?
    a) Rigid and unchanging
    b) Flexible and adaptable
    c) Based on teacher preference
    d) Focused solely on academics

15. Which of the following is a characteristic of a developmentally appropriate curriculum?
    a) Age-inappropriate content
    b) Engaging and relevant activities
    c) Strict adherence to textbooks
    d) Passive learning experiences

16. What is the primary benefit of using talk for learning in the classroom?
    a) Reducing student participation
    b) Increasing classroom discussions
    c) Limiting student interaction
    d) Focusing on written assignments

17. What should teachers do when planning for diverse learners?
    a) Ignore cultural backgrounds
    b) Consider individual learning styles
    c) Focus on one teaching method
    d) Ensure everyone learns the same way

18. What is a key feature of effective questioning in the classroom?
    a) Questions that have only one correct answer
    b) Questions that promote further inquiry
    c) Questions that discourage discussion
    d) Questions based on memorization

19. Which approach is least effective in a multigrade classroom?
    a) Individualized instruction
    b) Group learning activities

STUDENT'S ID NO:_____ SIGNATURE: _____

c) One-size-fits-all curriculum
d) Peer tutoring

20. What type of learning does a multigrade classroom promote?
    a) Independent learning only
    b) Collaborative and peer learning
    c) Solely teacher-led instruction
    d) Isolated learning experiences

21. The philosophy of constructivism in education emphasizes _____.

22. To support language development, a primary curriculum should include _____ activities.

23. In differentiated instruction, teachers should focus on _____.

24. The primary purpose of curriculum evaluation is to _____.

25. An effective primary curriculum should address the _____ of learners.

SECTION B

[75 marks]

Answer three questions from this section.

Q1 (a)	**i**	What are the key components of developmentally appropriate primary curriculum?	**4 marks**
	ii	Explain **TWO** of the components	**4 marks**
	iii	Explain the concept of differentiated planning in education.	**2 marks**
	iv	Discuss **TWO** aspects of differentiation.	**4 marks**
(b)	**i**	How can questioning techniques be applied in a primary classroom to enhance learning?	**2 marks**
	ii	State and explain **TWO** strategies in questioning techniques	**4 marks**
	iii	Explain and assess the effectiveness of indigenous pedagogies in modern primary education through **TWO** assessment methods.	**5 marks**
Q2 (a)		Design a lesson plan that incorporates creative approaches for teaching a primary subject.	**5 marks**
(b)	**i**	Explain **FOUR** features of inclusive education.	**8 marks**
	ii	Describe **THREE** roles of experiential learning in primary education.	**6 marks**
(c)	**i**	Explain **TWO** ways how teachers can manage a multigrade classroom effectively?	**4 marks**
	ii	Critique **ONE** challenge faced by teachers in implementing differentiated instruction.	**2 marks**
Q3 (a)	**i**	Identify and explain **THREE** basic principles of collaborative learning.	**9 marks**
	ii	Explain **THREE** ways can teachers use creative approaches to address different learning styles?	**6 marks**
(b)	**i**	Explain **THREE** roles of technology in supporting differentiated instruction.	**6 marks**
	ii	Critique the effectiveness of traditional vs. progressive teaching methods in primary education.	**4 marks**
Q4 (a)	**i**	Summarize **THREE** importance of planning and preparation for primary school learners.	**6 Marks**
	ii	Explain the following teaching techniques: dramatization, role play, and demonstration	**6 Marks**
(b)	**i**	Explain these basic principles of collaborative learning: Shared Goals, Accountability, Face-to-Face Interaction, and Reflection and Improvement.	**6 Marks**
	ii	Discuss **TWO** (2) factors or guidelines to consider in selecting teaching and learning materials as a teacher	**4 Marks**
	iii	Compare and contrast collaborative learning and individual learning in primary education.	**3 Marks**

STUDENT'S ID NO:_____ SIGNATURE: _____

Q5 (a)	i	Critique these challenges faced by teachers in implementing differentiated instruction: Time Constraints, Classroom Management, Assessment, and Resistance to Change	**8 marks**
	ii	What is culturally responsive teaching, and why is it important?	**2 marks**
	iii	Explain **THREE** (3) approaches to implementing culturally responsive teaching	**6 marks**
(b)	i	Explain the importance of emotional intelligence in the classroom	**4 Marks**
	ii	Discuss **TWO** (2) strategies teachers can use to promote emotional intelligence among students.	**4 Marks**
